15,000+ Members

There are currently 15,000 members on Spinnr and this is growing at approximately 50 new members per day. Roughly 54% of users are active on the platform.

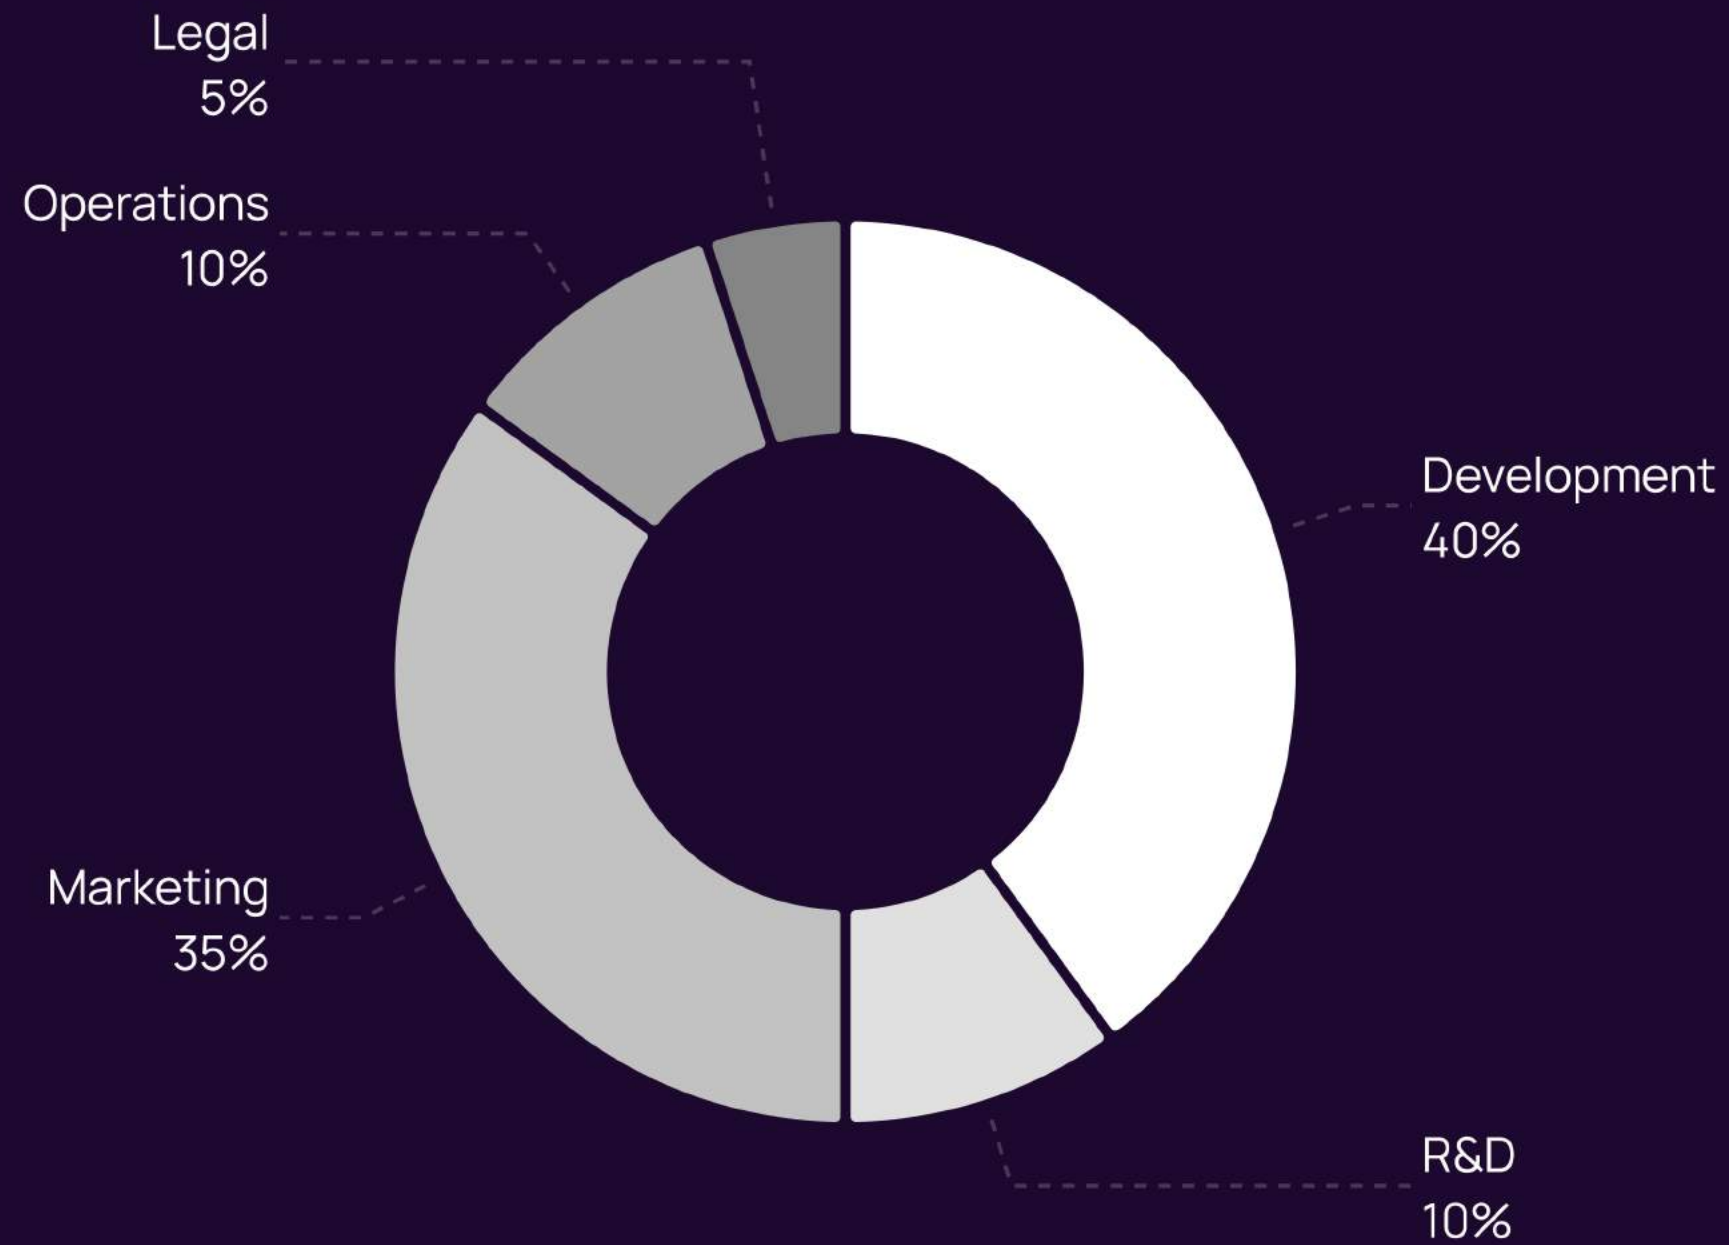

Acquisition

We acquire users with paid ads, organic growth, word of mouth, and great press coverage. Our CAC is quite low compared to industry leaders.

Scale

Now that we've proven our nationwide growth, global expansion is our next step. We expect to grow to 2M users within 3 years.
